Marcie Funchess Appointed to ATAC

Marcie Funchess has been appointed to serve as a member of the Apprenticeship Training and Advisory Committee (ATAC.)

The ATAC provides information, advice and recommendations to the Council concerning apprenticeship in Texas. ATAC is also responsible for recommending forms, formulas and administrative procedures for the distribution of available funds to apprenticeship training programs funded under Chapter 133 of the Texas Education Code. Our apprenticeship program is funded through Chapter 133 funds.

Tom Jones served on the ATAC for many years. Jerry Thomas began serving on the committee last year. The committee is mostly made up of members from union organizations so it is great to add another member from the “independent” arena.

TWC Certifies \$219 Million in Federal Tax Credits for Texas Employers

Texas employers can reap substantial savings on their federal business income taxes by taking advantage of the Work Opportunity Tax Credit (WOTC) program. In Fiscal Year (FY) 2009, the Texas Workforce Commission (TWC) assisted businesses by certifying nearly \$219 million in potential tax savings, available to Texas employers who hire from qualified targeted populations and apply for certification within 28 days of their start date.

Although TWC identified millions in savings for Texas employers, millions went unclaimed because employers did not apply for the credit on their eligible, newly hired workers. Fewer than 5 percent of Texas’ more than 440,000 employers took advantage of WOTC in FY 2009. WOTC is designed to encourage employers to hire new employees from targeted groups of qualified job seekers who may face barriers to employment.

Employers can save up to \$2,400 per qualifying employee by hiring from these groups:

- Unemployed veterans*
- Disconnected youth*
- Temporary Assistance for Needy Families (TANF) recipients
- Ex-felons
- Designated community residents
- Vocational rehabilitation referrals
- Supplemental Nutritional Assistance Program (SNAP) benefit recipients (formerly known as food stamps).
- Veterans receiving SNAP benefits
- Supplemental Security Income (SSI) recipients

Employers can save up to \$4,800 for hiring:

- Disabled veterans

Employers can save up to \$9,000 for hiring:

- Long-term family assistance (TANF) benefit recipients

Employers can save up to \$1,200 for hiring:

- Summer youth from empowerment zones or renewal counties

*new group added in 2009

In 2009, two new groups were added to the list of those who qualify under the WOTC program. Veterans receiving unemployment benefits and 16- to 24-year olds who have not been regularly employed or attending school for at least six months prior to being hired are now included in the list of populations which qualify an employer for the tax credit.

Applications for the credits can be submitted year-round to TWC's WOTC Unit for certification. Within each target population, there are specific eligibility requirements, which TWC will verify before issuing the certifications.

All applications must be postmarked no later than 28 days from the qualifying worker's start date. For more information employers may contact TWC's WOTC Unit at 1-800-695-6879 or visit the TWC Web site: www.twc.state.tx.us/svcs/wotc/wotc.html.

2010 IEC National Legislative Fly-In

Attend the 2010 IEC National Legislative Fly-In, May 3-6, at the Hamilton Crowne Plaza in Washington, D.C., and join fellow members in protecting the merit shop. With the health care reform in the Senate, it is crucial that you take this opportunity to join your peers and speak with your Senators, Representatives, and their staffs on these important issues.

This year's Fly-In program will feature a "how to" educational session on lobbying your Member of Congress, as well as informational briefings on front burner legislative issues, from the Washington experts who deal with these subjects every day. And, most importantly, we will have a Day on Capitol Hill where IEC contractors and EDs join together to educate their

federal representatives about our industry and your business.

REGISTER BY APRIL 16 TO GET THE EARLY-BIRD DISCOUNT!

Are you a 2010 IEC Gold Card member? If so, Gold Card members receive \$50 off of member registration fees and \$25 off of the spouse/guest registration fee for the IEC Legislative Fly-In (as well as other great benefits)!
